

# Join My Tufting (Rugmaking) Workshop!

Are you looking for a fun and creative way to spend your day? Join our Tufting workshop! During this 6-hour workshop, you will learn how to create your own unique piece of art with the tufting technique.

## Workshop Details:

- Create a piece of work measuring approximately 50x70 cm
- One week prior to the workshop, you will need to submit your design so I can purchase the right colours
- After the workshop, your work will be shipped to you as it needs to dry for 24 hours after gluing
- Your work will not be fully finished due to the drying time, but you will receive a video tutorial how to do the finishing on the back
- The workshop is €175,- per person, this includes all materials, a nice lunch and shipping of your work. Free parking is available nearby
- Location: My studio in Breda
- I am flexible with scheduling and can work with you to find a date that works best for you
- At the moment (2023) I have equipment for 3 participants, feel free to invite a friend or two to join you

# Order Your Custom Rug!

Looking for a rug with your favourite character but can never find it?  
Or a rug with a specific image or design but it just doesn't exist?  
In my studio, I love to creating rugs.  
If you love them as much a I do, you can always have a custom rug made to your liking.

## How does it work?

- Send me an image
- Add the desired dimensions
- I will send you a price estimate.
- After receiving half of the payment I will start on your custom rug
- I will send you picture updates during the process

It would be amazing to have your own designed rug on your living room floor or at your bedside, it's also a great idea for a personalized gift or just to treat yourself to something unique.

If you're interested, please contact me: [marjan\\_vd\\_heijden@hotmail.com](mailto:marjan_vd_heijden@hotmail.com)

Please keep in mind that creating these rugs involves working with solid colours. I will try to match the colours as closely as I can but yarn colors may differ slightly from those in digital images
